Highlights of the HEADSTART Week

The **HEADSTART Week** was successfully completed, illustrating the project's results, sharing the HEADSTART concept and ideas and gaining feedback from external experts on specific topics of interest.

More specifically, the HEADSTART project organized a week full of webinars, starting **from Monday, 11/05 up to Friday, 15/05**. Each day, one new interactive session was held, engaging participants with questions and discussions. All participants had the opportunity to find out what HEADSTART is and to discuss and exchange knowledge on topics such as the HEADSTART methodology.
